EXPERIENCE

ESPN, Bristol, CT – *Studio Operator I*

February 2020 – PRESENT

- Proficiently operate hard cameras, jib camera, and Jitacam for flagship shows including SportsCenter, NFL Live, and College Football productions.
- Manage communications between the control room, studio, and remote sites using Reidel Director and AZedit, while ensuring seamless mic'ing of talent and swift troubleshooting of technical equipment issues.
- Actively participate in the A2 training committee, mentoring and training new hires.

Jesuit High School, Tampa, FL – *Communications Assistant*

September 2019 – January 2020

- Elevated Jesuit High School's mission via comprehensive social media management, website updates, and contributions to the school magazine.
- Captured and edited compelling photos and videos for publication, documenting school events and activities.
- Established relationships with media outlets and external stakeholders to bolster Jesuit's visibility and monitored media and social media landscapes.

Pasco County Schools, Wesley Chapel, FL – *ESE Instructional Assistant*

January 2019 – September 2019

- Collaborated with educators to effectively integrate media and technology into the classroom, enhancing the learning experience.
- Maintained an engaging and productive classroom atmosphere conducive to effective learning.
- Conducted assessments to gauge student comprehension and provided valuable feedback.

HSN, St. Petersburg, FL – *Production Technician II*

April 2016 – December 2018

- Contributed to live show production, assuming various technical roles including graphics, audio, and assistant director.
- Operated video cameras, employing jib and handheld techniques for optimal shots.
- Assisted in camera blocking and offline projects, ensuring seamless production flow.

EDUCATION

University of South Florida, Tampa, FL – *BA Mass Communications*
